**OfficerID: SS0105, Narrative****ASSIGNMENT / INITIAL INFORMATION:**

On 09/01/15 at about 1631 hours, I was dispatched to a possibly intoxicated female in the parking lot of Haggen's (8915 Market Place) trying to enter her car.

While enroute to the location information was updated that the subject had been in a collision in the parking lot with another vehicle and was now fleeing the scene. The suspect vehicle was described as a silver Toyota Sequoia. At about 1632 hours, Lake Stevens Police Officer Rutherford sent radio traffic that he observed the vehicle westbound on 8th St SE.

**ARRIVAL / OBSERVATIONS:**

I arrived at the parking lot at about 1633 hours, and observed a group of people standing near a silver colored vehicle (530ZVL). I noted that the rear passenger side corner of the bumper to the vehicle was pushed-in.

**STATEMENTS:**

**John Hilderbrand**

John stated that he had parked his vehicle (undamaged) in the parking lot of Haggen's to purchase flowers, and when he returned he was informed by the Landrum's his vehicle had been struck.

**Jeffrey Boyb**

Jeffrey stated that he was working at Guest Services in Haggen's and was informed a customer (later identified as Lucia Eby) had left her keys at the counter. At about this time Eby came back inside and grabbed the keys and went back outside.

Jeffrey stated he had been following behind her, because she had dropped some items on the ground and he could smell the odor of an alcoholic beverage coming from her. Jeffrey felt she may be intoxicated, so Jeffery returned to the store to report her condition to 911. When Jeffrey came back out he was informed by Landrum in the parking lot that Eby had struck a parked vehicle.

**Gabriel Landrum**

Gabriel stated he was in his passenger seat of his vehicle when he and his wife heard a collision and the unoccupied vehicle to the west of them move. Gabriel got out to see what had happened and noticed a silver SUV had struck the other car and was now driving away.

Gabriel chased after the vehicle which had stopped in the exit lane of the parking lot due to stopped vehicles ahead of the suspect vehicle. Gabriel related he was able to take a digital image of the suspect vehicle's damage and license plate number while it was stopped. Gabriel stated he had a good look at the drive as she pulled away.

**Dawn Landrum**

Dawn related she was seated in the passenger seat of her vehicle when she heard the sound of a collision and noted the car next to her move forward a few inches. Dawn looked back and observed that a silver SUV had struck the car parked next to them.

**SUSPECT IDENTIFIED:**

At about 1648 hours, I drove Gabriel Landrum westbound on 8th St SE (8200 block) and drove slowly past a stopped vehicle (AEV4840) with a lone female seated in the passenger seat. As we drove past the vehicle Gabriel stated, "That's absolutely the individual!"

Just prior to approaching the vehicle I had explained to Gabriel that we had a vehicle stopped that may or may not be the vehicle involved with a person who may or may not have been involved. I advised him he was just to tell me if this was or was not the individual driving the vehicle that struck the car in the parking lot.

**OFFICERS FINDINGS:**

Based on the physical evidence and witness statements Lucia Eby was operating AEV4840 in the parking lot at 8915 Market Place Lake Stevens, WA and while backing out of a stall struck an unoccupied vehicle (530ZVL) causing significant damage to both vehicles. Lucia then fled the scene and was later stopped at the 8200 block of 8th ST SE Lake Stevens, WA. A witness (Gabriel Landrum) positively identified Lucia as the Hit and Run driver.

**ADDITIONAL INFORMATION:**

For additional information, refer to follow-up report by Lake Stevens Police Officer Rutherford.

**DIGITAL IAMGES:**

Digital images were taken of the damage to both vehicles, which were then later placed onto a CD (DI-1) and submitted into evidence.

**CONNECTED REPORT:**

WSP 15-017497

**DISPOSITION:**

Case referred to WSP to combine with DUI Investigation.

Jeffrey Boyb

Jeffrey stated that he was working at Guest Services in Haggen's and was informed a customer (later identified as Lucia Eby) had left her keys at the counter. At about this time Eby came back inside and grabbed the keys and went back outside.

Jeffrey stated he had been following behind her, because she had dropped some items on the ground and he could smell the odor of an alcoholic beverage coming from her. Jeffrey felt she may be intoxicated, so Jeffery returned to the store to report her condition to 911. When Jeffrey came back out he was informed by Landrum in the parking lot that Eby had struck a parked vehicle.

Gabriel Landrum

Gabriel stated he was in his passenger seat of his vehicle when he and his wife heard a collision and the unoccupied vehicle to the west of them move. Gabriel got out to see what had happened and noticed a silver SUV had struck the other car and was now driving away.

Gabriel chased after the vehicle which had stopped in the exit lane of the parking lot due to stopped vehicles ahead of the suspect vehicle. Gabriel related he was able to take a digital image of the suspect vehicle's damage and license plate number while it was stopped. Gabriel stated he had a good look at the drive as she pulled away.

Dawn Landrum

Dawn related she was seated in the passenger seat of her vehicle when she heard the sound of a collision and noted the car next to her move forward a few inches. Dawn looked back and observed that a silver SUV had struck the car parked next to them.

#### SUSPECT IDENTIFIED:

At about 1648 hours, I drove Gabriel Landrum westbound on 8th St SE (8200 block) and drove slowly past a stopped vehicle (AEV4840) with a lone female seated in the passenger seat. As we drove past the vehicle Gabriel stated, "That's absolutely the individual!"

Just prior to approaching the vehicle I had explained to Gabriel that we had a vehicle stopped that may or may not be the vehicle involved with a person who may or may not have been involved. I advised him he was just to tell me if this was or was not the individual driving the vehicle that struck the car in the parking lot.

#### OFFICERS FINDINGS:

Based on the physical evidence and witness statements Lucia Eby was operating AEV4840 in the parking lot at 8915
